January 15, 2015

Dear Montauk School Teachers,

First of all, **THANK YOU ALL** for being active members of the PTA – we are very grateful for your support!

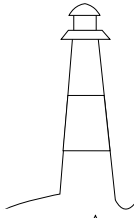

With that said, we want you to know that we appreciate all that you do for our students and are **here to support your work**. Specifically, we are here to financially support your work. As you know, we have many fundraisers throughout the year, and while lots of the money raised at those events is earmarked for certain programs, there is also some money leftover that we want to give back to you, the teachers, in order to carry out the most relevant and dynamic curriculum.

Attached you will find an application for PTA funds to support your classroom needs. Please feel free to request whatever amount of money that you think you do/will need and we will do our best to provide you with what we can, at the same time working towards a particular goal.

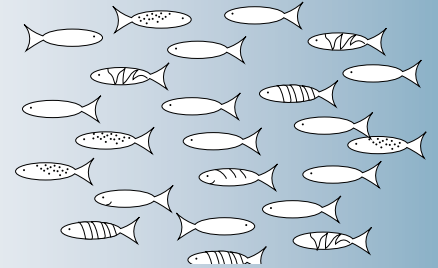

**Any questions**, please feel free to ask Patricia Byrne, the PTA teacher representative.

With great appreciation for all that you do,  
The PTA officers

Nicole Dickinson, Jackie Tyrrell, Lisa Frazier, Tara Coleman, and Carrie Cullen
